The HFMA Member Engagement Award Program

Member Engagement Award Point Categories, Values, and Definitions

(Achieve 25 points for Bronze, 50 points for Silver, and 75 points for Gold)

As an HFMA member one way to get involved is through engaging in volunteer activities and other such contributions. HFMA values these contributions and has developed the Member Engagement Program to honor these engagement achievements by members. There are many different ways to earn points as part of the Member Engagement Program – both at a local chapter level and at a national level. Below you’ll find a list of various activities in five different categories – Literary Contributions, Chapter Committees, National Committees, Event Contributions and Miscellaneous. Later in this document you can learn more about the award levels and background on the Award Program.

Background

The Healthcare Financial Management Association (HFMA) recognizes that its strength lies in volunteers who contribute their time, ideas, and energy to serve the healthcare industry, their profession, and one another. Active participation in HFMA at the national, regional and/or chapter levels provides members with numerous opportunities for professional development, information, networking, and advocacy. Established in 1960, the Founders Merit Award Series (now Member Engagement Award Program) acknowledges the contributions made by HFMA members. These awards are part of a merit-rating plan in which specific activities are assigned a range of point values.

The Founders Merit Award Series was revised in April 2004, returning to its core purpose of "Recognizing the Volunteer in You". Point categories were adjusted to reflect volunteer activity only. In 2024 the Founders Merit Award Series program was refreshed to reflect current opportunities for volunteerism and was renamed the Member Engagement Award Program to focus on the opportunities at all levels of membership for engagement.

HFMA encourages continuous active participation at the local and national levels. Therefore, the point system and award levels have been established to promote continuous active engagement in HFMA.

The Awards

The Bronze Award is awarded after a member has earned 25 engagement points.

The Silver Award is awarded to a member who has earned 50 total engagement points.

The Gold Award is presented to a member who has earned a total of 75 engagement points.

The Medal of Honor is conferred by nomination of the Chapter Board of Directors. This prestigious award recognizes an individual who has been actively involved in HFMA for at least three years after earning the Gold Award, has provided significant service at the chapter, regional and/or national level in at least two of those years, and remains a member in good standing. A chapter may nominate members for this award at any time during the year.

Reminders:

- ✓ Although HFMA National and the chapters track chapter and national committee engagement points, it is ultimately the responsibility of the individual member to report points earned using the Awards input screen in their member profile. To add a missing chapter or national committee position, reach out to the Chapter's Award Chairperson, who serves as a liaison to HFMA National. Member points are automatically transferred from one chapter to another.
- ✓ Retroactive scoring of points for all categories is permissible if appropriate documentation is provided.
- ✓ No points are earned for serving terms of office of less than one-half of a chapter's fiscal year for any category, services a member is paid to perform, or for chapter participation prior to HFMA membership.
- ✓ Chapter members can view their Engagement points on the HFMA website under Manage My Account in their personal profiles. Any discrepancies between points awarded and points earned should be reported to the Chapter's Award Chairperson.
- ✓ No points are awarded when an honorarium is provided.
